## FJ Turner High Torch

Time is a phantom ... that moves mysteriously on tiptoes through our lives ... so secretly, so stealthily, that even as we think about the present moment and try to grasp it, it's ... already slipped away ... to become a memory ... in the corner of our mind.

Time eludes our grasp but we know it's there, for as it tiptoes silently through our lives ... it leaves behind telltale footprints, furrowed brows, wrinkles, grey hairs, shattered dreams, beautiful memories, and other souvenirs ... reminding us to make the most of each precious moment, because it will never ... pass our way again ...

Sue  
We have had a lot  
of fun this year. Have  
a nice summer and we'll  
see you next year.  
Annette  
Jacobs

# In Memory Of Thomas Donovan Hammel

God, grant me the serenity, to accept the things I  
cannot change ... Courage to change the things  
I can ... And the wisdom to know the difference.

"I'll lend you for a little time  
a child of mine," He said,  
"For you to love the while he lives  
and mourn for when He's dead ...  
"It may be six or seven year,  
or twenty-two or three  
But will you, till I call him back,  
take care of him for Me?"

We'll shelter him with tenderness,  
we'll love him while we may  
For all the happiness we've known,  
forever grateful stay.  
But shall the angels call for him  
much sooner than we've planned,  
We'll brave the bitter grief that comes  
and try to understand.

"HOMECOMING WEEK - 1977"

Monday: "Blue and Gold Day" & Pep Assembly  
 Tuesday: "Backwards Day"  
 Wednesday: "Spirit Day" & Lick 'em Day  
 Thursday: "Button Day"  
 Friday: "Player Recognition Day", Parade & Game  
 Saturday: Homecoming Dance & Post-Homecoming

Well, homecoming is a time when nobody seems to know what they are doing 'til the last minute, like:

What skit you're going to do; what the float theme is going to be; who's going to ask you to homecoming or who you are going to ask; if the person will accept or where you're going to go to eat; if you'll have enough suckers to sell or how much you should ask for each sucker; where you're going to get your blue and gold clothes or where you're going to get your clothes to wear backwards; who will win the "MOUTH AWARD"; what the button theme is going to be; who you are going to kiss for player recognition day or who you are going to be kissed by; who will become the homecoming representatives; how well the parade will go over; or finally who will win the homecoming game. But everyone knows one thing for sure that this homecoming is going to be one of the best times of your life!!!

# An Evening In The Park

Once again this year, the Drama students of Turner H.S. presented 3 one act plays this fall. "An evening in the Park" was this years theme as all 3 plays took place in the park. Last spring, Turner High students succesfully produced the first "Broadway" musical ever done at Turner. "Annie Get Your Gun". Hopefully, this spring another major production will be preformed, but no final selection has been made.

"Watch me pick up this beautiful girl."

"It was a night like this ... The sky was full of stars "

"You've got a lotta nerve ... "

"Funny though ... we almost didn't get married "

"Mmm, egg, that was George's favorite!"

"Dreams come true "

and they'll all

"Oh no Steve!"

# Theatre Arts Class Plays

On January 17, the Theatre Art Classes presented two one-act plays to the student body. The plays were called "The Farmers Daughter", and "The Psychiatrist in Spite of Himself". These plays were thoroughly enjoyed by both the students and faculty as well as the actors and crew. Thanks go to the Theatre Art Classes and of course to Mr. Hellrung also. Nice job!

This year the 1977-78 cheerleaders worked hard to get a lot of spirit going in the school, and it seemed to work! This year's spirit was terrific! The squad thanks all students for their support. This year's captain for the football season was Sue Sather; and the captain for the basketball season was Kelly Williams.

# Torch Staff

The theme for this years yearbook should be troubled times. The Staff worked hard at times, but missed many deadlines. At the time this piece is being written it is uncertain wether our book will be delivered on time! Many people worked hard to try and meet the deadlines that many chose to ignore. A thousand thanks to those of you that worked when you were needed. Without those dedicated few, this book would not be completed!

Special thanks go to Randy Schweiger our tireless photographer, who did much of the photography work for this book. Again many thanks to all those who gave in order that this book would be a GOOD ONE!!!

## Valedictorian

Lori Stoltzfus

Congratulations go to Lori for her outstanding achievement in becoming Valedictorian for the Class of 1978! She has been actively involved in N H S, A F S, Student Council, several orchestras in Beloit and also was the Badger Girls State Rep. in 1978. Lori plans to attend either Oberlin or Lawrence College to study Math and Science.

## Salutatorian

Robin Barrett

Congratulations go to Robin for her fine efforts in being selected as Salutatorian for the Class of 1978! Throughout her years at Turner she has been involved in N H S, cheerleading, band, forensics and foreign language. Robin plans to attend the University of Wisconsin-Madison to study Pharmacy.

## Gus

My name is Gaston Bdo. Correa Tapia. (Gus for the friends)

I'm A.F.S. Student from CHILE for the years 1977-78 in Turner High School. I live in one little town in Central Zone of my country. The name is La Ligua, is in the valley of Ligua in the Province of Petorea. This province is located about 72 miles to north of Santiago (Capitol). My family has 11 members, my mother and father and five brothers and four sisters. I'm the more young people of my family (La Guagua-the baby). Here in Beloit my host family is Mr. and Mrs. Lawrence Harrison, they have four children.

Now I say Thank you to all people and teachers who work in Turner High, also to the studnets, because I had really good time and friendships in this High School. Thank you to everybody. Gus

On behalf of the students at Turner High School in the years of 1977 and 1978, I'd like to say that Gus will be greatly missed! He taught us that friendship can be worldwide and obstacles (language, customs, food, etc.) can be easily overcome with a little kindness

## Lisa

My A.F.S. experience consisted of a summer (1977) spent in the far-off land of Turkey. My host family had five members, the father-Baba, the mother-Anne, a twenty year old sister-Deniz, a sixteen year old brother-Tolga, and a fifteen year old sister-Feza. We lived on the coast of the Mediterranean sea in a harbour city called Iskenderun.

The entire summer was a fantastic experience. I had to learn the language, customs, and habits of a totally different culture. It really made me realize what a small part of the world Beloit Wisconsin is. Thanks to A.F.S. it's possible to exchange cultures with other people and the more you know about others the more you'll learn about yourself. I'd hate to see the A.F.S. program end. Thank-you. Lisa

Remember, the Clinton game was just a glimpse of the future

If you believe in the old saying, "It's not whether you win or lose, but how you play the game" our 1977 football team finished with an 8-1 record rather than the all too real 1-8. Week after week the Trojans faced bigger and more experienced teams with enthusiasm and the determination to win. All but once they fell short, sometimes they weren't even close, but they never quit when that would have been so easy.

The embarrassing Homecoming loss to Milton was felt by everyone at Turner High School. It would have been easy to "hang it up" for this season but this team showed the Beloit area what kind of young men they were the next week by coming from behind in the last 2 minutes to beat Clinton 13-12. Who can forget the running of Jeff Smith, the passing of Dean Dilley, the catches of Larry Wisen and Dave Edwards, and of course the foot of Mark Heffel that night? Turner fans enjoyed that trip, some as much as the team it seemed.

"Workin' Our Way Back," the slogan adopted by the 1977 coaching staff and team, seems to sum up the '77's seasons best. The players and coaches dedicated themselves to the task of bringing Turner football back to respectability. With the return of 11 lettermen and the addition of a Sophomore team that compiled an 4-2-1 record, the 1978 Trojans should improve on this year's 1-8 record.

The 1977 team combined good running ability with a positive attitude to continue our tradition of "running excellence" at Turner High School. The team placed 2nd in the Rock Valley Conference with a 5-1 record and amassed an overall record of 61 wins and only 16 losses against all competition. The Trojan harriers were rated #6 in the state class "B" Final Coaches Poll. Richard Alheid, a junior, placed 10th in the State Meet at Madison.

## Successful Season

The 1977 Girls Cross Country Team of Turner High School experienced an enjoyable and rewarding season.

Throughout the season individual effort was stressed and its importance to the total team effort was demonstrated by the girls. This season was unique in the great strength our team derived from each of its members. Each meet was a total team effort. The greatest benefit was not the total wins or losses, but the true team spirit which resulted.

As Girls Cross Country becomes a more popular sport, competition gets tougher. The experience of the team should help to insure prosperous future seasons.

# Varsity Volleyball

Bottom Row: Pat Ziebol, Zoe Hanson, Kelly Williams, Sue Sather, Paula Miller, Top Row: Beth Snow, Ann Reed (capt), Bridget Crave, Chris Helgeson, Mary Parmenter, Coach Haas

This was the first year of the new Rock Valley Conference. The number of volleyball matches was up from the usual 10 to 14. Conference play consisted of a round robin series, playing each team twice.

The girls had their work cut out for them. They worked several hours a night to improve their skills - mopping the floor, sliding on towels, and creating bruises and sores. (Right, Bridget?). All their effort and hard work led them to a second place conference finish with a record of 10-4.

There is one very important point that has come out of this season with these girls. They have developed an image of true competitors with excellent sportsmanship qualities. When we finished playing our matches at Edgerton for the Regional meet (in which we placed second), the tournament directors, the other coaches, and the officials all commented on what a fine team Turner was. In prospective, that is what it's all about, good sportsmanship, good skills and a fine school image.

The Most Valuable Player Award, voted upon by the girls, was awarded to Bridget Crave. Another honor was the forming of an All-Conference Team. Of the six girls voted upon in the league, two Turner girls, Sue Sather and Bridget Crave, were elected.

It has been a pleasure to work with these girls. I wish they could all be back next year. Good-Bye, Sue, Kelly, Beth, Ann, and Chris. Best of Luck!

The J.V. volleyball team competed in 14 conference matches. The team consisted of 14 players, six of whom returned from the previous year. The eight remaining girls were new to a volleyball team.

The captain of the J.V. team was Michelle Schaack with Sandy Slocum as co-captain. Voted by her teammates, Cheryl Herstad (alias Bimbo) received the award of the Most Consistent Player.

The team finished up the year with a good strategy by devising the slogan "Kiss A Volleyball Player"

1. The first part of the text discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes that proper record-keeping is essential for determining the true financial position of a business and for preparing accurate financial statements.

2. The second part of the text describes the various methods used to collect and analyze financial data. It mentions the use of journals, ledgers, and trial balances to organize and summarize the information. It also discusses the importance of reconciling the books with bank statements and other external records to ensure accuracy.

3. The third part of the text focuses on the preparation of financial statements, including the income statement, balance sheet, and statement of cash flows. It explains how these statements are derived from the underlying data and how they provide a comprehensive overview of the company's financial performance and position.

4. The final part of the text discusses the role of accounting in decision-making and planning. It highlights how the information provided by the financial statements can be used by management to make informed decisions about the future of the business, such as investing in new projects or expanding into new markets.

A grid of 24 black and white student portraits arranged in 4 rows and 6 columns. The portraits show students with various hairstyles and clothing, typical of a mid-20th-century yearbook. The students are of diverse ethnicities and are all smiling or looking directly at the camera. The portraits are set against a light background and are separated by thin white lines. The overall layout is a rectangular grid.

## AT DAY'S END

Is anybody happier because you passed his way?  
Does anyone remember that you spoke to him today?  
The day is almost over, and its toiling time is through;  
Is there anyone to utter now a kindly word of you?  
Can you say tonight, in parting with the day that's slipping fast,  
That you helped a single brother of the many that you passed?

Is a single heart rejoicing over what you did or said,  
Does the man whose hopes were fading, now with courage look ahead?  
Did you waste the day, or lose it? Was it well or sorely spent?  
Did you leave a trail of kindness, or a scar of discontent?  
As you close your eyes in slumber, do you think that God will say,  
"You have earned one more tomorrow by the work you did today"???

Well guys, here it is — endless hours of work for a minutes glance! You've got to admit, it's definitely different and unique! We tried to get all the expressions of 1977-78 into a book of pictures presenting the memories that will lay in our minds forever — covering and uncovering the moments of joy and pain. It was all worth it, though, no matter how many headaches and tears it brought! Oh, and just one more thing, take care of this book, cause it may never pass your way again

*Lori Hendricks*  
2/27/78

To all those people that made this book possible  
May the winds always be at your back, the sun shine brightly on your  
face and the joys of life radiate through your soul  
On behalf of this years subscribers I thank you  
Michael Sklavos

# "We Play Harder"

The highlight of the 1977-78 basketball season for the varsity boy's team was defeating Brodhead 57-55 to win the Edgerton regional tournament.

To get to the regional tournament, Turner first defeated Lake Mills in a sub-regional game 63-45. In this game Turner received strong performances from the starters and the bench esp. Tom

In the first game of the regional, Turner had to play a strong Edgerton team. Turner won the hard fought game 61-57. Mark Prieve scored 17 of the 41 points in the first half. Dave Dahlman came off the bench, stole a pass, and made a driving layup that sealed Turner victory in the last few seconds of play. Strong rebounding by all of Turner's players was a key factor in the victory.

In the championship game with Brodhead, Turner had outstanding performances from all players and it was a total team victory.

In the first game of the Whitewater sectional Turner was defeated by Elkhorn 57-43. Turner played very well and was in the ball game right up to the very end. Paul Crave had a super night and led the Trojans with 22 points.

Turner had a great Tournament and ended the season with a very fine 15 and 7 record.

# Donkey Basketball

The A.F.S. Club sponsored a Donkey Basketball game once again this year. Many people turned out to watch the game. It was a big success, with the Seniors victorious overall.

# Slave Day

Slave day was another huge success. The club made quite a lot of money off the project. The entire school loved watching the slaves doing their duties and making fools of themselves.

Baseball is a very unique sport.  
 Played on a diamond-not field or court,  
 Hit the ball with a thud,  
 Run around threw the mud,  
 And end up a hero of some sort.

That is one way of describing baseball. Unfortunately the Turner baseball team wasn't that lucky. They ended up with a 3-11 record. But they also had some misfortunes, such as injuries and the chicken pox. Something good did come out of this season, John Lindeman was chosen for the all-conference team with Mark Olsen, John Marshall, and Mark Heffel on honorable mention.

#### Poem to the Seniors

Another year goes passing by  
Another Prom is here  
To some this brings a joyous smile  
To others, brings a tear  
For four years you have tread a path  
From dawn to setting sun  
But now the path gets steeper  
And the climb has just begun  
Were very glad to know you  
We'll miss you when your gone  
And to the class of '78  
We dedicate our prom

Cherish Yesterday . . .

Live For Today . . .

# Dream Of Tomorrow . . .

Sue,  
So a sweet  
girl. I talked  
to ya this year but  
not much. Really don't  
know you yet but I'm  
sure we can work that out!!  
Have a great summer & I'll  
see ya next year.  
Love,  
Deanna

Sue,  
I'm really glad we  
got to know each  
other. Maybe next  
year we will get some  
classes together. See  
ya this summer and then  
in the big 10th grade.

Love

David

P.S. Keep up the work  
in Pam-Pam. ok.

Sue,  
Band sure was  
fun this. All of you  
us (Perry, Jules, & me + you)  
being rowdie. Writing  
on our music, making  
snide remarks  
about Mr. W. well  
have fun this  
summer. Love

Sue,  
To a sweet and  
nice old church of  
would have had your  
income of my classes.
